## EEH up to 15 hours and 30 hours offer

- Below fees are representative of funding starting in September. Figures vary by which term you start in, due to the different numbers of weeks the funding is allocated for each term and how they are stretched across our opening weeks through that term.
- For either 3 core days or full days, if available one of those days is expected to be a Monday or Friday unless otherwise agreed by the Nursery.

#### Funded Only Session:

We offer 1 place of Funded Only Session of 15 hours a week for 38 weeks a year. This is on first come first served basis. The hours are from 1pm-4pm, Monday to Friday. With Optional Food Charge of £10/week to cover for the afternoon snacks.

#### Early Education Hours usage monitoring (15 and 30 hours):

For all the hours offered, the attendance will be monitored to ensure the full government entitlement is being used effectively. Should we find the entitlement is being underused (because you have collected early or arrived late), you may be subject to additional charges if funding is removed by the local authority.

#### Sibling discount:

We offer a discount if you have two or more siblings in nursery at the same time (5%). The discount is applied to your oldest child's plan.

#### How to calculate the first/last monthly's fee:

The first and last month's fees will be calculated using the actual days and/or sessions registered during the that month of attendance, as this is likely to be less than a full month.

#### Ad-hoc sessions:

Occasionally, parents may require additional sessions. We're committed to providing support whenever possible, contingent upon availability. Please note that ad-hoc sessions incur higher costs due to the associated administrative workload. Our rates for such sessions are as follows:  
 Half-day session: Morning: £64/session; Afternoon: £69/session ; Core Day (8am-4pm): £97/session ;  
 Full Day (8-6pm):£105/session.
